### FINAL YEAR PROJECT + INTERNSHIP

FEB 2021 - MAY 2021

I am holding with Bachelor's degree in Information Technology, specialization in React Native. My Final Year Project was on **Attendance Management System** purely based on React Native.

During my Final Year Project, I used Asp.net Web API as a backend and used SQL Server for storing the data in database.

I have completed my project by following the instructions of my supervisor.

During this time, I joined Programin Studio for 4 months internship in **Rawalpindi**. In this period, I got the basic knowledge about react native and also implemented.
